CITY OF PETERSBURG
CAPITAL PROJECT NOMINATION FORM

Project Title: City of Petersburg, Shooting Range Improvements

Project Location: City of Petersburg, Senate District A; House District 2

Brief Project Description:

In the early 1980's, Petersburg was the beneficiary of a state grant to design and construct a shooting range. The range is located on state land leased by the City of Petersburg. It is operated and maintained with user charges collected by the local Rod & Gun Club. Now more than twenty years old, the facility is in need of rehabilitation. The scope of the range improvements would consist of replacing one of the two trap machines; replacing the trap shooting boardwalk on both courses; replacing both trap shooting scoring platforms; rehabilitation of the pistol range access; rehabilitation of the crushed rock pad on the rifle range to the 200 yard station; access road improvements by installation of a cross culvert to improve drainage and an overlay of crushed rock.
